CURBSIDE BULK PICKUP

In 2016, each property within the Refuse District is entitled to **two** Curbside Bulk Pickups each year. One bulk pick up will follow the Wednesday Bulk Pickup schedule inside this brochure. See schedule for your street on pages 3-5.

The second bulk pickup will be a flex-pickup, scheduled by each resident **directly** with the Carter. This flex-pickup will provide the opportunity for each resident to utilize the 2nd bulk pickup when they need it most.

The following regulations apply to curbside bulk pickup:

- Curbside Bulk Pickup is for residents' household items only.
- All items must be at the curb the night before the scheduled pickup and **no earlier** than the Thursday before your scheduled date. Any items not taken by the Carter must be removed by the homeowner no later than the following Monday. Failure to do so will subject you to a fine.
- **Each pickup is limited to three (3) cubic yards.** This is an area approximately **9' x 3' x 3'**. There is a weight limit of 150 lbs. per individual item. Any bulk pickups in excess of this amount will not be picked up and will be left at your curb.
- Residents exceeding the three (3) cubic yard limit will have to either reduce the size, use their flex-pickup or contract with AAA Carting to have the excess above the three cubic yards removed at AAA Carting's rate. Residents are also welcome to hire other carters to remove items in excess of the three cubic yards.
