John Cesar “Rooster for Brewster” program

A question was asked about Deans Corners and why two approvals were still not received. Another concern is why it was left off the list and also would it need another public hearing. The Supervisor said it was left off the list inadvertently and it would be on a further worksession.

Don Cuomo submitted a petition regarding the paving of Maple Road and a letter for the record, which he read. A resident would like the cost of paving the entire road. Another resident said the speed limit of 20 mph is posted and they should not drive faster.

When questioned about drainage districts the Supervisor said the report was almost finished. He also responded that Malcolm Pirnie is being hired primarily for Peaceable Hill District. Regarding Deans Corners a transportation Corp and a Homeowners Association will both be needed.

The Supervisor said that the town-wide newsletter was mailed to every residence and every dwelling that had 3 or less families.

The Mayor said that paving Maple Road would make it a speedway.

**EXECUTIVE SESSION**

Supervisor Dunford made a motion to enter into executive session and Councilman Johnson seconded. All in favor.

Councilman Johnson made a motion to come out of executive session and close the regular Meeting. Councilman Honeck seconded and all in favor.

Respectfully submitted,
